SUMMARY

Detail-oriented professional with a strong foundation in **Smart Manufacturing Technology**. Currently a **Workstation Trainer** and **Production Associate** at Tesla, with extensive experience in precision assembly, machinery operation, and troubleshooting. Proven ability to lead technical teams, improve operational efficiency, and communicate effectively in high-stress environments.

EXPERIENCE

Assembly Line

Tesla January 2024 - Present, FREMONT, CA

- Operate complex machinery to assemble high-precision components, ensuring strict adherence to quality standards.
- Serve as a **Workstation Trainer**, instructing team members on technical assembly processes and safety protocols.
- Inspect finished products for defects and perform mechanical adjustments to maintain peak production efficiency.
- Collaborate with engineering and production teams to meet rigorous daily output goals.

Field Supervisor/Client Support

Allied Universal Security August 2022 - January 2024, SAN JOSE

- Partnered with cross-functional teams to troubleshoot and resolve complex client technical issues.
- Identified process bottlenecks, implementing improvements that decreased response times by 20%.

General Manager

Chipotle Mexican Grill December 2019 - January 2022, PALO ALTO, CA

- Managed multi-million dollar operations, overseeing technical inventory, financial forecasting, and staff scheduling.
- Implemented cost-cutting measures and strategic planning that increased profit margins by up to 20%.
- Directed teams of up to 50 employees, focusing on training, performance evaluation, and operational efficiency.

General Manager

Nekter Juice Bar December 2018 - December 2019, MOUNTAIN VIEW, CA

Restaurant Manager

MOD Superfast Pizza June 2015 - December 2018, SAN JOSE, CA

EDUCATION
